

2023 JUNIOR BOARD

LAINY HARRE

Hometown: Gilman, IA

Background: I am involved in high school volleyball, AAU volleyball, basketball, and softball. I am also a member of the Colo-Nesco FFA and Haverhill Hustlers 4H club. I have been showing pigs for 6 years now. I show at many Iowa jackpot shows. I have also exhibited at Kansas City, Aksarben, Denver, and the Iowa State Fair. I have had many achievements within the swine industry, some of my favorite achievements are being Reserve Overall Carcass Swine at the Iowa State Fair in 2021 and being top in my class at the Iowa State Fair for the last several years.

Why the ISJS Board: I want to be on the ISJS board because I want a chance to help make our organization even better than what it already is. Leadership is something important to me because you're guiding a team or individual to achieve their goal through direction and motivation, and I feel like getting people to where they can succeed is very important.

Future Goals: After I graduate, I plan to attend Iowa State University to be a veterinarian and livestock judge. I would also like to take classes this summer to Magna Wave livestock.

Advice to Younger ISJS Members: Just go out and have fun!
